Proposed changes to the Academic Standing Policy to clarify how it operates. There is no actual change to the policy itself.

Academic Standing

- The assignment of academic standing is based on both the student's most recent term and overall grade-point average.
- The minimum satisfactory academic average is 1.70 for freshmen and joint-enrolled high school students; 1.80 for sophomores; 1.95 for juniors; 2.00 for seniors and special undergraduates; 2.70 for master's and special graduate students; and 3.00 for doctoral students.
- Students not on academic probation are in good academic standing.
Academic warning

• Academic warning is a subcategory of good academic standing, differing only in the maximum allowable schedule load.

• A student who has an overall academic average below the minimum satisfactory scholarship requirement, or whose academic average for work taken during any term is below this requirement, shall be placed on academic warning.

• A student on academic warning whose academic average for the term is above the minimum satisfactory scholarship requirement and overall academic average is below the minimum satisfactory scholarship requirement shall remain on academic warning.
Academic probation

- A student on academic warning whose academic average is below the minimum satisfactory scholarship requirement for any term shall be placed on academic probation.

- An undergraduate student in good academic standing whose academic average for any term is below 1.00, based on at least six credit graded hours, shall be placed on academic probation.

- A student also may be placed on academic probation through other actions, as described in the following section.

  • Changes in disciplinary standing that affect eligibility become effective immediately.
• Participation also requires satisfaction of any additional requirements established by the Student Activities Committee of the Academic Senate.
ACTION ITEMS

From the November 8, 2013 Minutes:

XVII. Extracurricular Activities - PROPOSED

• The changes boil down to the removal of references to probation status in #2 and addition of Suspension in Abeyance language in #3.
• In 2007 a change was made to the policy regarding the probationary status. However, the policy was not edited completely at that time to remove that reference.
• Also, the “Suspension in Abeyance” status was added to the Code of Conduct, but not added to this policy. This language is added to make both policies include the same language in regard to disciplinary status.

- Motion to approve all action items and Minutes.
