Grade Security

- Grades have been hacked... twice
- Faculty member login/passwords stolen with key loggers
- Deploying DUO multifactor authentication
- Multiple ways to enter grades which need to be protected
DUO Authentication

Duo is a secondary authentication mechanism. For more information see OIT Duo documentation.

For assistance, please contact the OIT Technology Support Center at 404-894-7173 (Mon–Fri 8am–5:00pm EDT).

Click here for additional documentation including how to integrate your application with IAM services.
